Dear Sir / Madam,

RE: Testimonial regarding the services of Ayman Fathy Kamel & Co.

The Johannesburg office of Edward Nathan Sonnenbergs Inc. law firm ("**ENSafrica**") has been working with Ayman Fathy Kamel & Co. since 2022 on various tax-related matters, including those pertaining to payroll taxes, levies and contributions.

Our relationship with Ayman Fathy Kamel & Co. has been successful and we have been very satisfied with their service. They are pro-active, responsive and have a problem-solving approach to assignments. Their tax expertise and experience are reflected in their thorough knowledge of not only the applicable legislation, but also its practical application by Regulators.

We would have no hesitation in recommending Ayman Fathy Kamel & Co. for tax services in Egypt.

Do not hesitate to contact us should have any questions or require additional information.

Yours sincerely,
